I get it, it's rugged out there and that's why we love it.

But sometimes connectivity is a matter of life or death.

\$1000 Shakedown

We met at Smith and Others Road @ 10.00 am, took some happy snaps then set off for the first part of the tracks.

Unfortunately Ranky was suffering from a sore throat with carby issues so limped back to the trailer.

Some nice slippery hills tested the 1000 dollar vehicles and unfortunately Garth had decided to run with his 33's and found himself stuck in a few spots for the day, all of the \$1000 dollar vehicles performed well on the first half of the day,

On the way to the second part of the tracks, Frank abruptly stopped and everyone bailed, it seems an air lock in the cooling system caused water to spill out the overflow (which is all inside the car).

We drained all our drink bottles, got some tadpole water and filed him up and off we went.

Garth got stuck pretty well in an open water hole area so this was an opportunity to flog the vehicles and have some fun, from here Franks crew, Garth and Gary headed back for home.

The remaining 3 headed for a long water hole mud filled trek back with Emily in the lead,

The track back was awesome, a few big water hole recoveries creek crossings and outright bush bashing, was an end to a successful shakedown.

Play of the day was when we looked in the rear view and Trout had straddled 2 sets of ruts and was full sideways in metre deep water pushing a bow wave the Titanic would have been happy with!!

In the poo

3 Garth for showing up to a gun fight with a knife, leaving 31s on

2 Jimmy and Kane for a DNF

1 Scotty Beecham for Worry being a Worry!

Ben Clark Award

3 Wak trying his best to get Ranky going.

1.5 each, Lyndon organising the trip, Emily taking the lead for the second half.

MARKS MYSTERY NIGHT TRIP

@ 20 give or take a few vehicles headed off in to the night from the Homemakers on time, to have a bit of a play, picking up a few more vehicles in Ulverstone,

With the trip being and easy one with some side challenges, the challenges started straight up with Trip leader Mr T, starting on the wrong track, this continued through the night with a couple more "Wrong Turns"

A few vehicles struggled with the first slippery hill with Thommo's Maggie Thatcher Rover having spark issues and Matts Cruiser not wanting to select 4x4.

Kane with a tyre going flat for no apparent reason, Matt and Andrew "kissing" the same tree kept a few of us entertained.

Winch bingo was made a bit harder by the group being split in to a few groups due to vehicle dramas but the winner was the Thommo's in the Rangey.

The pic below was a pretty cool reflection of the convoy toward the end of the night, where an "easy" obstacle went South and saw all but 3 brave souls turning around and heading back to hill challenge 2 that was missed on the way in.

2 points Andrew W kissing the tree way too hard

1 point Lyndon Kettle "where are the keys to my van"

23/9 Basic 4 x 4 Course

Don't doubt the Trout organised the basic 4x4 course with a good number of attendees, from all reports a good day with the course being exactly as described, pretty basic, but some good skills learned.

A big thanks to Steve Shephard for the use of his land to test out the instructors 4x4 skill.
