# Australia Day Ring River/Climies Weekender

5 cars attended. Started at Ring River on the first day, only Simmo needed a winch. Pretty cruisy from there apart from Garth who nearly went over up the step up, he rode the bank before his spare wheel brought him back down. Garth then dented his roof on a tree branch.

Pete and Ryan got matching dents. Headed back to the lodge for an early tea and lots of beers. Left the next morning at 9am to head to Cimies, except for Simmo who had alternator and heating issues.

No dramas at the start of the track and had a few fellas follow along. First major issuetrack wash out; garth went one way; the rest went the hard way. Pete's 300 dented a door in, took a flare off, and messed up a guard. Had lunch at the waterfall, noone did it this year. Ryan got stuck in the holes, twice. Cruised back out to Granville to the dunes for a play, and then spent the night at Tullah.

# Others Out & About

### **Michael Kerr**

Headed down west for Australia day weekend. Set up at Grandville and did Climies on Friday from Granville to Trial, all was pretty good. Track is deteriorating from weather and high use. Michael had a crack at the waterfall but had a front wheel lift and decided no more. Corey did it in the Colorado, but it is getting pretty bad.

Saturday went to Pieman heads, everywhere was very dry.

Caught up with Shayne Marshall to cut through the farm. Took a wrong turn and ended up in the bush: Michael got stuck in a hole. Had lunch and then went to Explorer Road. Did Balfor track in 40 mins. Went into the cape and camped at the Casino.

Mainlanders were stuck in a dual cab stuck on the beach: got them out.

Sunday just cruised around and had a look about at the light house and Peta camp.

### Lyndon's Trips

Trip 1 Went to Sandy Cape on the weekend. Just buggies and 4 wheelers. Did a day trip in, there was a big mess left in the Peta camp.

Trip 2: had a look at Bellingham, Kimmy drove down the big dune.
