**5 vehicles headed West on Saturday and camped at Greens Creek for the night after deciding the water was a bit deep, with another 5 heading down on Sunday for an overnighiter.**

**Beach and rivers were good on the lower tide. We went to the lighthouse to test the Cel Fi Go unit and everything tested well and looks like it will be a good option, also fixed the pad bolt that had been cut by someone.**

**Had a great night around the campfire, headed out the next day and some of us stopped at the Marrawah pub for a feed.**

**A couple of great projects, well done Michael Kerr, Ryan and all involved!!**
