July 27th - Montezuma Falls trip with the Braddon Club.

The Braddon boys are heading West. Don't have many details yet - but contact 0488 077 623 if you're interested. Watch out for the Ring River track - it kills unprepared Pajeros... only three weeks after I bought it ☺

July ??th - Snow Trip.

Watch for details - If anyone is organizing a snow trip, we'll let you know.

July ??th - Beaconsfield Trip.

This one was planned a while ago - but the guys planning it haven't been at the meetings lately. Is it still on? We dunno - if it happens - we'll email the details as soon as we can.

Aug 3rd - Offroad Car Club St Helens

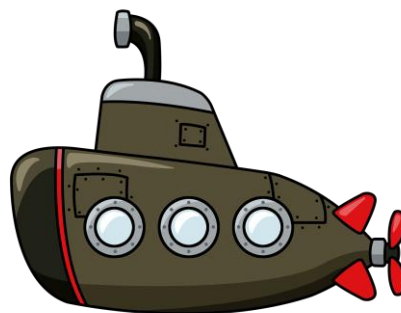

It's a handicap event, so should be exciting as the slower guys get a head-start. Peron Dunes St Helens - racing starts at 10am.

Aug 17th - Dunc & Woody's Annual Night Trip.

It'll be dark, it'll be fun. 5pm start at Woody's place in Westbury for a BBQ (BYO meat). Bring lots of coinage - we'll be doing some raffles etc to raise money for the club. Woody 0408135800 or Dunc 0408225845
